

## REMARKS

After entry of the present Amendment, claims 1-9 remain in the application with claim 1 in independent form

Original claims 1-27 stood subject to a restriction requirement. More specifically, the Examiner restricted the application to one of the following inventions:

Group I        claims 1-9, drawn to a composition, classified in class 524, subclass 588; and

Group II       claims 10-27, drawn to a semiconductor, classified in class 428, subclass 447.

In response to this restriction, the Applicant elects Group I, thereby retaining claims 1-9. Claims 10-27 have been cancelled.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to our Deposit Account No. 08-2789.

Respectfully submitted,
